Community Medical Center is driven by our mission of *making communities healthier.*® We are dedicated to providing high-quality care close to home and investing in our region’s overall well-being. Our teams are committed to embodying our core values and improving the health of all those we serve. We feel privileged to be part of this community, and we take seriously the role we play in providing compassionate, accessible care to patients and their families.

With the support of Lifepoint Health and community partners like you, we continue to advance our mission and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. We look forward to further enhancing how we serve our neighbors today and for generations to come. Thank you.

2023 Community Benefits

Added 100 employed and independent providers

This year, we added providers in cardiology, critical care, pulmonology, emergency and family medicine, orthopedics, otolaryngology, pediatric critical care, pediatric surgery, podiatry, urology, vascular surgery and more.

Made more than \$5.8 million in capital improvements

By continually investing in our facilities, we’re helping to ensure that we continue to meet our community’s healthcare needs. This year’s investments included an upgrade to our imaging system for electrophysiology, two new MRI machines, plus a new and expanded Emergency Department.

Distributed a payroll of \$83,563,986 to approximately 910 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and services.

Donated more than \$11.2 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.
