COVID-19 Vaccine Clinic (Phase 1a – Healthcare Providers)

WHO:	<ul style="list-style-type: none"> This vaccine clinic is for individuals who qualify under Phase 1a and live and/or work in Missoula County.
WHEN:	<ul style="list-style-type: none"> The Vaccine Clinic is, Monday, January 18 - Thursday, January 21
WHERE:	<ul style="list-style-type: none"> Vaccine clinic is located inside the main entrance to the hospital (off Fort Missoula Rd). If possible, please please park a few rows back to allow convenient parking for laboring mothers and patients.
HOW:	<ul style="list-style-type: none"> Schedule your appointment ONLINE Some people will experience side effects (ex. fever) from the vaccine the following day, so schedule accordingly If you need to reschedule your appointment, cancel your appointment in the confirmation email or text message, and then reschedule. You must be in good health and will be required to wear a surgical mask to your appointment. Allow a minimum of 20 minutes for your appointment. You will need be monitored for 15 minutes following your vaccination.
WHAT TO BRING:	<ul style="list-style-type: none"> Health Insurance Card The U.S. government has put in place measures to eliminate financial barriers making the COVID-19 vaccine assessible to everyone. We will bill your insurance carrier for the cost to administer the vaccine, as the government has put measures in place to allow healthcare providers to be reimbursed for their efforts to vaccinate the U.S. population. You should not receive a bill for this, it is purely administrative with your carrier. No individual will be denied a COVID-19 vaccine if they do not have insurance coverage. Patients will NOT experience any out-of-pocket costs for the vaccine. Proof of Healthcare Employment (ex. badge, business card, letter from employer on letterhead including your full name, dates of employment & job title).
SECOND DOSE:	<ul style="list-style-type: none"> You will be scheduled for your second dose at the first dose clinic. Pfizer = 21 days & Moderna = 28 days

If you have questions about whether the vaccine is right for you, speak with your primary care provider. If you have questions about the clinic, email Community Medical Center incident command at covid19@communitymed.org.
